The HIGHEST average listed for a bowler is the official book average – winter league ending. Winter leagues are leagues that start August 1 through March 14. A minimum of 21 games (12 games for youth) is needed to establish a book average in a USBC certified league. Averages listed are USBC certified league and certified bowlers only. Summer averages will be posted on bowl.com. A bowling average, including all substitute games, is determined by dividing the total number of pins credited to a bowler in one USBC league, by the number of games bowled in that league in a season.

Please be sure to read all league and tournament rules carefully for the entering average requirements. Some events use current league sheet averages. The bowlers & coaches (for youth) are responsible for reporting the correct average when entering an event. Disqualification can occur for not reporting the correct average.

Average errors in this guide may be caused by various reasons beyond the association's control. It remains the individual's responsibility to know, and state the correct average where requested. Any errors in averages should be reported to the Association Office.

SOUTHERN LA COUNTY CHAPTER OF THE UNITED STATES BOWLING CONGRESS

ASSOCIATION #82198

Bowlers not listed in this book have no record of being members of the
SOUTHERN LOS ANGELES COUNTY BOWLING ASSOCIATION
FOR 2018-19 WINTER SEASON

.....

ADULT AVERAGE OMISSIONS MAY HAVE RESULTED FROM ONE OR MORE OF THE FOLLOWING REASONS:

1. Bowlers have less than (21) twenty-one games in the league at the time the records were submitted for the average book listing.
2. An average was not submitted to this office by the league secretary as prescribed in the USBC playing rulebook 102(E).
3. League sheet service, providing league statistic standings, failed to carry a full roster of players with (21) twenty-one or more games on their league sheet or dropped players from the roster that had (21) twenty-one or more games if they withdrew from the league.
4. The league disbanded and league records were no longer available for publication.

Beyond the local association's control, average errors or omissions in this guide may be caused by various reasons. Therefore, it still remains each individual member's responsibility to know, state and use their correct average when and where requested.

President's Message

To the members of the Southern LA County USBC Association,

Welcome to the 2019-20 Season! First and foremost, I would like to thank the bowlers and board of directors for allowing me to continue to serve as the President of the Southern LA County USBC. Your confidence in my abilities and commitment is greatly appreciated and I plan to do all I can to live up to the responsibilities and expectations.

The Board of Directors and I will continue to work hard to provide the best product for the bowlers of the Southern LA County USBC, however if you have any questions, comments or suggestions, please do not hesitate to contact us as we would love to hear from you.

The association is already working on the entries for the Open, Women's, Youth, and Senior tournaments. We will also be hosting our SoCal Queens & Princess Tournament and the SoCal Masters & Apprentice Tournament this year. Please visit our website and download the tournament entry forms. We have extended an invitation to all California USBC associations so we are looking forward to a great event. We ask that you give renewed support and vigorous participation in all of our local tournaments, as the future of this association rests on the participation of its membership.

Our youth bowlers are the future of the sport, so I would like to ask that ALL bowlers support our youth. The maximum age for youth bowlers will be lowered next year, so we need to support them as much as possible. As a past youth bowler (many... many... many years ago), I can attest to the fact that bowling was a much needed outlet to get through the confusing period of what is known as "the teens", so please support the youth bowlers, as they are not only the future of our sport, they are also the future of our society. We also welcome increased adult participation and involvement in our youth committee to raise funds to provide additional scholarship opportunities.

Let us all keep these words in mind and move forward as ONE united team to support and enhance the sport we all love!

Thank You,

Andre Eubanks
President

USBC'S REGISTERED VOLUNTEER PROGRAM ADDS SAFESPORT EDUCATION REQUIREMENT

Bowl.com
November 8, 2018

Program expanded to include local and state board members

ARLINGTON, Texas – Online training and education through the U.S. Center for SafeSport now is a required component of the United States Bowling Congress' Registered Volunteer Program (RVP) and, to comply with United States Olympic Committee (USOC) regulations, the program has been expanded to include local and state association board members.

The addition of SafeSport online training to the RVP process provides education about athlete safety for those who work closely with USBC Youth members. The material will help volunteers and coaches learn how to prevent abuse from happening and how to respond if abuse already has occurred. While created with youth in mind, the concepts involved also are appropriate when dealing with adults and senior citizens in our associations.

Federal legislation has been enacted to ensure the safety of athletes. Everyone deserves to participate in sports free from bullying, hazing, sexual misconduct or any form of emotional or physical abuse. USBC, a USOC member and the National Governing Body (NGB) of bowling, stands alongside the U.S. Center for SafeSport and its commitment to this goal.

Started in 2006, RVP was put into place to ensure volunteers having regular contact with USBC Youth members were vetted through a mandatory criminal background screening in an effort to remove those who might harm children. In the Fall of 2012, USBC Coaching Certification and Development made RVP a mandatory requirement for all certified coaches.

Currently, USBC board and International Bowling Campus Youth Committee members, USBC employees, Team USA and Junior Team USA support staff and team members, local and state youth association and committee members, association managers, youth league officials and USBC-certified coaches all are required to hold RVP approval.

With all associations merged, RVP approval now will be required of every state and local board member, every youth committee member and youth director, plus all USBC Youth tournament managers. Each person is required to complete the training process by Jan. 1, 2019. USBC will send notification to those required to hold RVP approval with information on how to properly register for the training.

Anyone who currently holds RVP certification will need to complete the required online SafeSport training by Jan. 1, 2019. There is no cost for the online training and it can be accessed 24 hours a day. USBC members and USBC-certified coaches should go through BOWL.com/RVP to access the SafeSport training and to provide their USBC national ID when registering for training.

For anyone seeking to complete the RVP process, they first must complete the SafeSport education. Once USBC receives notification a person has completed SafeSport training, it will direct the applicant to complete the background screening portion through the National Center for Safety Initiatives (NCSI).

The NCSI background check process also is done online, and NCSI does charge a fee of \$21.25 to cover its costs to perform the required checks. The fee might be higher in states that require additional fees to access its data.

A handbook on the Registered Volunteer Program and more information about RVP can be found at BOWL.com/RVP.

What is the USBC Registered Volunteer Program?

The United States Bowling Congress' Registered Volunteer Program was created in 2006 to protect the youths who participate in USBC Youth programs. Providing a safe environment for youth bowlers is USBC's highest priority.

The USBC Registered Volunteer Program accomplishes two very important goals:

It requires all volunteers who have regular contact with USBC youth bowlers to have gone through a mandatory criminal background screening designed to remove and/or discourage those who might harm our kids.

It includes a training component, through SafeSport.org, so those who work closely with youth members can recognize if an athlete is being abused, learn how to prevent abuse and how to respond if abuse has happened.

Everyone deserves to participate in sports free from bullying, hazing, sexual misconduct or any form of emotional or physical abuse. USBC's Registered Volunteer Program is designed to ensure all who work with youth members are dedicated to that objective.

Who is a required to become a Registered Volunteer?

Anyone 18 years of age or older who has regular contact or authority over USBC Youth members and those individuals within USBC governance structure. Specific roles or positions within USBC require compliance. Those roles are:

- USBC Headquarters employees
- USBC National Board and Youth Committee members
- USBC Team USA and Junior Team USA Members
- **State and Local Youth Committee members and directors**
- **State and Local Association Board members**
- **State and Local Association Managers**
- **USBC Youth league officers**
- **USBC Youth tournament managers**
- **USBC Certified Coaches**

USBC YOUTH MAXIMUM AGE CHANGE

As announced July 25, 2019, USBC will lower the maximum age for USBC Youth membership to 18 starting with the 2020-2021 season. The decision to lower to the maximum age from 20 to 18, with agreement from the Bowling Proprietors' Association of America and the International Bowling Campus Youth Committee, will align bowling with other youth sports. For the 2020-2021 season, the age change will directly impact approximately 4,000 youth or 3.3% of the total youth membership. Approximately 10,000 youth, or 8.2% of the total youth membership, will turn 18 during the bowling season and be required to take the free online training through the U.S. Center for SafeSport if they plan to continue to bowl in a USBC youth league

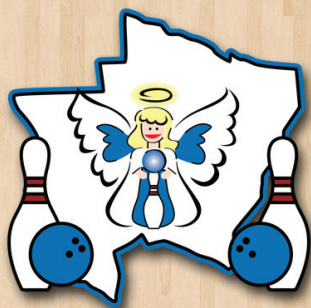

REGISTERED VOLUNTEER PROGRAM (RVP) COMPLIANCE

Federal law enacted in 2018 gave authority to the U.S. Center for SafeSport to create policies to protect minor athletes. To comply with those policies, all local and state board members must take the SafeSport training and be RVP compliant. RVP compliance is defined as receiving a "Green-light" background check result from NCSI, the successful completion of SafeSport training and have membership with USBC.

We thank all of our volunteers for their help in keeping your association board members in compliance as we move into the new season. We understand the challenges with the new requirements and appreciate your positive attitude as we all work to help improve the safety of our minor athletes.

Please remember, the new SafeSport requirement does affect all leagues which have bowlers who are 18 years of age or older competing with members 17 years of age or younger. The new eligibility requirement for participation in leagues where adults and minors are competing requires those 18 and above to complete the free online SafeSport training. Oversight and enforcement of the eligibility requirement for league participation lies within the league officers.
