OFFICIAL AVERAGE GUIDE

SOUTHERN LA COUNTY CHAPTER
OF THE
UNITED STATES BOWLING CONGRESS

ASSOCIATION #82198

Bowlers not listed in this book have no record of being members of the
SOUTHERN LOS ANGELES COUNTY BOWLING ASSOCIATION
FOR 2019-20 WINTER SEASON

ADULT AVERAGE OMISSIONS MAY HAVE RESULTED FROM ONE OR MORE OF THE FOLLOWING REASONS:

1. Bowlers have less than (21) twenty-one games in the league at the time the records were submitted for the average book listing.
2. An average was not submitted to this office by the league secretary as prescribed in the USBC playing rulebook 102(E).
3. League sheet service, providing league statistic standings, failed to carry a full roster of players with (21) twenty-one or more games on their league sheet or dropped players from the roster that had (21) twenty-one or more games if they withdrew from the league.
4. The league disbanded and league records were no longer available for publication.

Beyond the local association's control, average errors or omissions in this guide may be caused by various reasons. Therefore, it still remains each individual member's responsibility to know, state and use their correct average when and where requested.

President's Message

To the members of the Southern LA County USBC Association,

Welcome to the 2019-20 Season! First and foremost, I would like to thank the bowlers and board of directors for allowing me to continue to serve as the President of the Southern LA County USBC. Your confidence in my abilities and commitment is greatly appreciated and I plan to do all I can to live up to the responsibilities and expectations.

The Board of Directors and I will continue to work hard to provide the best product for the bowlers of the Southern LA County USBC, however if you have any questions, comments or suggestions, please do not hesitate to contact us as we would love to hear from you.

The association is already working on the entries for the Open, Women's, Youth, and Senior tournaments. We will also be hosting our SoCal Queens & Princess Tournament and the SoCal Masters & Apprentice Tournament this year. Please visit our website and download the tournament entry forms. We have extended an invitation to all California USBC associations so we are looking forward to a great event. We ask that you give renewed support and vigorous participation in all of our local tournaments, as the future of this association rests on the participation of its membership.

Our youth bowlers are the future of the sport, so I would like to ask that ALL bowlers support our youth. The maximum age for youth bowlers will be lowered next year, so we need to support them as much as possible. As a past youth bowler (many... many... many years ago), I can attest to the fact that bowling was a much needed outlet to get through the confusing period of what is known as "the teens", so please support the youth bowlers, as they are not only the future of our sport, they are also the future of our society. We also welcome increased adult participation and involvement in our youth committee to raise funds to provide additional scholarship opportunities.

Let us all keep these words in mind and move forward as ONE united team to support and enhance the sport we all love!

Thank You,

Andre Eubanks

President

USBC YOUTH MAXIMUM AGE CHANGE

As announced July 25, 2019, USBC will lower the maximum age for USBC Youth membership to 18 starting with the 2020-2021 season. The decision to lower to the maximum age from 20 to 18, with agreement from the Bowling Proprietors' Association of America and the International Bowling Campus Youth Committee, will align bowling with other youth sports. For the 2020-2021 season, the age change will directly impact approximately 4,000 youth or 3.3% of the total youth membership. Approximately 10,000 youth, or 8.2% of the total youth membership, will turn 18 during the bowling season and be required to take the free online training through the U.S. Center for SafeSport if they plan to continue to bowl in a USBC youth league

REGISTERED VOLUNTEER PROGRAM (RVP) COMPLIANCE

Federal law enacted in 2018 gave authority to the U.S. Center for SafeSport to create policies to protect minor athletes. To comply with those policies, all local and state board members must take the SafeSport training and be RVP compliant. RVP compliance is defined as receiving a "Green-light" background check result from NCSI, the successful completion of SafeSport training and have membership with USBC.

We thank all of our volunteers for their help in keeping your association board members in compliance as we move into the new season. We understand the challenges with the new requirements and appreciate your positive attitude as we all work to help improve the safety of our minor athletes.

Please remember, the new SafeSport requirement does affect all leagues which have bowlers who are 18 years of age or older competing with members 17 years of age or younger. The new eligibility requirement for participation in leagues where adults and minors are competing requires those 18 and above to complete the free online SafeSport training. Oversight and enforcement of the eligibility requirement for league participation lies within the league officers.
