OFFICIAL AVERAGE GUIDE

GREATER LA COUNTY CHAPTER OF THE UNITED STATES BOWLING CONGRESS

ASSOCIATION #86937

Bowlers not listed in this book have no record of being members of the
GREATER LOS ANGELES COUNTY BOWLING ASSOCIATION
FOR 2021-22 WINTER SEASON

ADULT AVERAGE OMISSIONS MAY HAVE RESULTED FROM ONE OR MORE OF THE FOLLOWING REASONS:

1. Bowlers have less than 21 games in the league at the time the records were submitted for the average book listing.
2. An average was not submitted to this office by the league secretary as prescribed in the USBC playing rulebook 102(E).
3. League sheet service, providing league statistic standings, failed to carry a full roster of players with 21 or more games on their league sheet or dropped players from the roster that had 21 or more games if they withdrew from the league.
4. The league disbanded and league records were no longer available for publication.

Beyond the local association's control, average errors or omissions in this guide may be caused by various reasons. Therefore, it still remains each individual member's responsibility to know, state and use their correct average when and where requested.

The HIGHEST average listed for a bowler is the official book average – winter league ending. Winter leagues are leagues that start August 1 through March 14. A minimum of 21 games (12 games for youth) is needed to establish a book average in a USBC certified league. Averages listed are USBC certified league and certified bowlers only. Summer averages will be posted on bowl.com. A bowling average, including all substitute games, is determined by dividing the total number of pins credited to a bowler in one USBC league, by the number of games bowled in that league in a season.

Please be sure to read all league and tournament rules carefully for the entering average requirements. Some events use current league sheet averages. The bowlers & coaches (for youth) are responsible for reporting the correct average when entering an event. Disqualification can occur for not reporting the correct average.

Average errors in this guide may be caused by various reasons beyond the association's control. It remains the individual's responsibility to know, and state the correct average where requested. Any errors in averages should be reported to the Association Office.

USBC YOUTH MAXIMUM AGE CHANGE

As announced July 25, 2019, USBC will lower the maximum age for USBC Youth membership to 18 starting with the 2020-2021 season. The decision to lower to the maximum age from 20 to 18, with agreement from the Bowling Proprietors' Association of America and the International Bowling Campus Youth Committee, will align bowling with other youth sports. For the 2020-2021 season, the age change will directly impact approximately 4,000 youth or 3.3% of the total youth membership. Approximately 10,000 youth, or 8.2% of the total youth membership, will turn 18 during the bowling season and be required to take the free online training through the U.S. Center for SafeSport if they plan to continue to bowl in a USBC youth league

REGISTERED VOLUNTEER PROGRAM (RVP) COMPLIANCE

Federal law enacted in 2018 gave authority to the U.S. Center for SafeSport to create policies to protect minor athletes. To comply with those policies, all local and state board members must take the SafeSport training and be RVP compliant. RVP compliance is defined as receiving a "Green-light" background check result from NCSI, the successful completion of SafeSport training and have membership with USBC.

We thank all of our volunteers for their help in keeping your association board members in compliance as we move into the new season. We understand the challenges with the new requirements and appreciate your positive attitude as we all work to help improve the safety of our minor athletes.

Please remember, the new SafeSport requirement does affect all leagues which have bowlers who are 18 years of age or older competing with members 17 years of age or younger. The new eligibility requirement for participation in leagues where adults and minors are competing requires those 18 and above to complete the free online SafeSport training. Oversight and enforcement of the eligibility requirement for league participation lies within the league officers.

to see past Hall of Fame winners,
Tournament Results and much, much more!

REMINDERS

- If a "Senior membership" bowler bowls as a regular or substitute in a "Standard" league, they must pay the \$5 difference to upgrade to Standard membership. If a Senior bowler bowls in another senior league, then they are fine with their current membership.
- If you have bowler in your league that wants to purchase their card online at BOWL.com, please make sure they use their existing USBC # and select "Greater LA County USBC" for the association. They may have to extend the mileage distance in order to see our association.
- The minimum age to bowl in an adult league is 18. NO EXCEPTIONS.
- Rulebooks are no longer going to be printed and can be downloaded at BOWL.com.
- No extra finger holes or weight holes allowed in the balls and if you only use two fingers in the ball, an "x" must be scribed where the palm is located.
- Be sure to check the non-conforming bowling ball list at BOWL.com. You don't want to forfeit league points or get disqualified from a tournament for using an illegal ball.
- You can only clean your ball with a dry towel once competition begins. Isopropyl alcohol is no longer allowed.
- Adult standard membership pricing has increased to \$30 for the 2022-23 season
- Senior league membership pricing has increased to \$25 for the 2022-23 season

REGISTERED VOLUNTEER PROGRAM (RVP) COMPLIANCE

Federal law enacted in 2018 gave authority to the U.S. Center for SafeSport to create policies to protect minor athletes. To comply with those policies, all local and state board members must take the SafeSport training and be RVP compliant. RVP compliance is defined as receiving a "Green-light" background check result from NCSI, the successful completion of SafeSport training and have membership with USBC.

We thank all of our volunteers for their help in keeping your association board members in compliance as we move into the new season. We understand the challenges with the new requirements and appreciate your positive attitude as we all work to help improve the safety of our minor athletes.

Youth who turn 18 during the current season must complete the free online SafeSport training. Oversight and enforcement of the eligibility requirement for league participation lies within the league officers.

YOUR AVERAGE

As a USBC member, your average allows you to compete in any of the 14,000 certified tournaments across your local community, state, and nationwide.

PROTECTING YOU

USBC protects both you and the sport by setting standardized playing rules in addition to working with the equipment manufacturers to ensure all products meet specifications. This ensures an equal playing field that allows the game to be fun and fair for all to enjoy.

YOUR SPORT

All USBC members can participate in establishing the rules for the game by submitting legislation, in addition to volunteering for local, state and national board and committees which helps make a difference in the sport.

YOUR MEMBER REWARDS

USBC partners with BenefitHub, a global leader in providing discount-based programs for everything from insurance to clothing, travel, leisure activities, and much more.

YOUR RECORDS

USBC tracks all your participation in leagues, averages, and honor scores on BOWL.com, and they also preserve the sport by maintaining national records and tournament history dating back to 1895.

COVERING YOUR SPORT

USBC is covering the sport from top to bottom through regular news updates and stories on BOWL.com, daily updates through social media posts and stories to help fans follow along with their sport. Additional coverage through Bowlers Journal, BowlTV, and national TV broadcasts.

Your USBC membership goes directly back into the sport to help fund programs for bowlers of all ages. From youth programs and scholarships to charitable causes such as Bowl for the Cure, Bowlers to Veterans Link, and the International Bowling Museum and Hall of Fame.

Your membership goes beyond the lanes and makes a mark for all! Find out more at [BOWL.com/AFFTS](https://www.bowl.com/AFFTS) or contact us at bowlinfo@bowl.com or 800.514.BOWL.
